A2

Handpicked Bay Leaves

Cinnamomum tamala

A1 vs A2 – Key Differences

1) Visual Quality

- A1: Zero pin holes, no defects
- A2: May have tiny pin holes, still clean

2) Handpicking

- A1: Highly precise, leaf-by-leaf perfection
- A2: Slightly relaxed selection

3) Uniformity

- A1: Very uniform colour & shape
- A2: Minor natural variation allowed

4) Tolerance

- A1: Zero tolerance for defects
- A2: Minimal tolerance (pin holes only)

A1 - THE FLAWLESS

A2 - A STRAY PIN HOLE
